“Save The Planet”**

FROM PAST TO PRESENT,

OTO NUMUNE, established in 1969, is the manufacturer and exporter of exterior and interior rear view mirrors which are used for heavy vehicles such as truck, bus and midibus.

Some of our references are OEM companies like MAN, MERCEDES TURK, ANADOLU ISUZU, TEMSA SKODA, BMC, OTOKAR, KARSAN, GULERYUZ, AKIA HESS, TCV, İLESBUS in Turkey.

We export our products to France, Spain, Italy, Hungary, Estonia, Portugal, Slovakia, Poland, Germany, Serbia, Romania, America, Mexico, Israel, Russia, Iran, Ghana, Tunisia, South Africa, UAE, Egypt, Singapore, Vietnam, China, Belarus, Ukraine and Australia

Our products are produced and licensed under Logo “NZN” by Turkish Patent Institute. We have acquired the certificate of IATF 16949:2016 system. All of our products have E Certification according to R46

All parts of our products (glass, plastic and metal parts) are produced with advanced technology in our factory. Our factory serves in the fields of ;plastic and metal injection, pipe-iron sheet forming, electrostatic dust dye, glass shaping and twisting, mould designing and developing.

Since our establishment, our business policy has been to strive for 100% customer satisfaction through continuous improvement of working methods and processes. We highly value hardworking and are bent on building longstanding and reliable partnership with every client for mutual benefit.

Best Regards,
